

Made in China
Patent Pending

The Plumber Saver is a unique kit. Used for cleaning and unstopping drains on toilets, sinks, showers, floor drains, kitchen sink disposals. This exquisite ship shaped container holds a hidden cleaning brush and plunger. It can be discreetly placed next to your toilet or in any location in home or office.

PLUMBER SAVER

Display three pictures on different part of the house:

1. Kitchen counter top- uses the brush for cleaning and plunging in case of overflowing. Leave as an art.
 2. Toilet/Bathroom-leaves it next to toilet bowl. You can use it for shower, sink and tub.
 3. Shelf- they can buy as an art and display it on their shelf.
- You can throw away old brush and plunger. Make your bathroom look good. This ship will help beautify your bathroom, kitchen and other part of your house.
