Life is Sliding Away

Composed by: Aasef Shafik of Global Peace Lovers

Life is sliding away. I'm getting wiser as I age.
My friends want to celebrate
Uh! Oh! It's my birthday again.
The balloons are floating in my living room.
In the colors of rainbow every year
We laugh and joke to midnight about the good old days.
Life is sliding away. Life is sliding away.
Once I was young and strong.
Always wanted to be number one on my team
Now I walk slow and feel my age.
I take vitamins to keep me going.
It's all right...it's all right.
I thank God for another day.
I look in the mirror my face is not the same.
Too bad! Too bad! We all cannot escape this day
No matter if you are a peasant or the president
Life is sliding...sliding away.
It's all right. It's all right.
Hey, Yo! Keep on moving along; even your hope is gone.
Nothing will take you back in time.
It's all right, it's all right.
I try...try to keep my dreams alive in a moving never ending world.
I see love shine, new born baby cries in my neighbor's home.
Ha, whoo! Little by little life is sliding away.
Hey, Yo! It is not the end of the world.
Ha, Doctor...doctor, prescribes medication that will make me walk on a straight line.
Grandma calls, saying politely age is just a number.
My...my child sweet dreams, travel the world you will see.
Everybody is looking for something
Life is struggle of good and bad days.
Don't worry! It's all right...all right.

LOVE is DESTINY

Da..da..da Damingo, Da..da..da Damingo
Our love was so strong, so strong.
Together we played our favorite hide and seek game.
You always told me you love me so much.
Da..da..da Damingo. Why? Why did you do me wrong?
You winked and whispered in my best friend ear.
You hurt my feelings.
You gave love a bad meaning.
Love is destiny.
Look it up in the dictionary.
I'm not just a piece of paper, you can scribble.
Your name on and put me in a rubbish bin.
You break, break my heart into many pieces.
Da..da..da Damingo. Da..da..da Damingo
I wanna cheers, no eyes tears.
Can't you see?
Love is so beautiful.
Everywhere I go.
Pictures of you and I all over my bedroom walls.
Your footprints in my living room
We danced and rocked all night long to our favorite songs.
We hugged for days.
I felt your heart next to mine.
Da..da..da Damingo, Da..da..da Damingo
Stop fooling around.
What goes around comes around.
Love is so beautiful.
True love doesn't fade away.
Love is destiny.

IN the MOOD for a GOOD TIME

I'm in the mood for a good time, good time
Let's go to Hollywood Blvd.
We might see the greatest Ali or even James Bond.
There are pretty, pretty sophisticated girls,
On both sides of the sidewalks,
Waiting for love in front of beautiful bars
I was in the number one bar.
Inside was full of surprises and spectacular glowing lights.
Everyone was dress to impress.
Wanna be the next superstar..star.
With magnificent moves on their mind,
The music was nice and loud,
Everyone was dancing away on the floor,
The music was right,
I raised my hands up in the air,
Thanking God for the great time.
I asked the bartender for a glass of water, water.
He smiled and took my last dollar.
Put it in a jackpot,
My drink smelled like rubbing alcohol,
Everything started to spin like a merry go round,
Mirrors, mirrors were on the walls I couldn't
Recognize my face from last fall,
I heard voices of my angels calling me,
Excuse me, kiss me, kiss me, excuse me,
Constantly around me
The next morning my neighbor woke me up,
Screaming from his lungs,
What have you done to my sports car?
Three years seems like three days ago
I'm in the mood for a good time again.

NOTE:

❖ Sing by a man.

Take your time make each and everyone a hit song. Your pretty voices will be heard generations to come. Thanks for the great job.

Shake, shake it to the left
Hey! Where is your love?
Rock your Boo...boo...booty on the floor
Jump, jump in the air. Shake your booty if you can.
You don't need to be a superstar
Just let the rhythm of good, good music shake your booty
Spin around and around shake, shake your Boo...boo...booty
The way you want
Ho! Ho! Ho! Yeah...yeah
(Mmm...that's what I'm talking about)
Oba! Shake, shake it...You Mama Cita... Muy Linda Ho! La! La!
Check, check out my man. Allou Ballou knows how to shake his booty too
Cha...cha...cha Jasmine is fired up in her red pretty dress
Keep on, keep on celebrating, Yall!
Ho! Ho! Ho! Yeah, yeah get naughty
Be number one, up in the front
Ooh Yes! Shake, shake your Boo...boo...booty
Shake, shake it side to side
Jump, jump up and down...up and down
Shake, shake your Boo...boo...booty away on the floor
Ho! Ho! Ho! Feel it in your heart, throw your hands higher.
Don't stop until you are satisfied
Come on, come on Yall! Where is your love?

Note:

Sing this song similar to MAMA song.

Instead of drum beat use CLAPPING as the beat (background).

Clapping can do more than 2 to 3 people at the same time and make this sound like a drum beat.

You're the expert, you can come with your own good idea for a good dancing song.

Thanks

Come on Baby...Let it Be
